About Event

A premier global platform for the International Conference on Translation Studies and Comparative Literature ICTSCL welcomes you to its official web page. We are very happy and proud of our pioneering and innovative renaissance, which has enabled us to introduce and research many revolutionary concepts and philosophies. To be held on 19th-20th July 2024 at Amsterdam, Netherlands and organized by World Researchers Forum, this event first of its kind, ICTSCL will provide unique and rational opportunities to all the attendees, research scholars, students from different domains and also encourage them to create a niche for themselves. This event strives towards achieving excellence in the cutting edge of all the scholars from all the disciplines and tries to bridge the basic and advanced gap between their derived thoughts.

About Organisation

World Research Forum being a global class academic and scientific forum organizes several desks of discussions which make our events a perfect platform for B to B and academic as well as scientific research oriented interaction. From health science and medicine to application of IOT for disaster management and its impact on social studies which may affects the world economic and business management , what ever and whom ever it may concerned related to higher education WRF stands for all. The WRF along with its team reaches all developed and developing countries , paradises and exotic island ,harbor cities and hill stations ,global Cosmo polis and remote areas of Africa to make the activities of forum provide solutions for challenges to humanity.
